

Lap-A-Thon and Carnival

Friday, March 31 students and staff will be **running or walking laps in the morning** with their class around our track to continue awareness of health, fitness and an active lifestyle. Please help raise donations to support our Physical Education (PE) programs and other PTO funded programs like technology, art in action, field trips, marine science, class supplies, and community events.

After school, from 2:40-4:40, we will be **celebrating with a carnival!!!**

Join us by staying after school and bringing your family to join in on the fun. Carnival tickets will be earned through participation in the Lap-A-Thon as well as raising donations. Tickets will be available to purchase as well during the carnival.

This year we are asking for a **flat donation** amount. We will NOT be tracking pledges by the number of laps run. Donations are to be turned in a week prior to the event, **Friday, March 24**. We need to tally the donations and pass out earned carnival tickets prior to the carnival to reduce ticket lines during the carnival. Of course we will still accept donations after the 24th, although it won't be guaranteed that you will have your tickets in hand prior to the start of the carnival. Students are encouraged to have a lap goal and friendly competition with friends and classmates.

Lap-a-Thon, 8:30-12:30 on upper track

Carnival, 2:40-4:40 on blacktop

Donations are due **Friday, March 24 to earn 10 extra carnival tickets.**

Donations turned in after March 24 will still have the opportunity to earn tickets based on the donation amount brought in. All donations are tax deductible.
