

# Intro to STEM with LEGO, Session 3

## Clifford Elementary School

Let your imagination run wild with tens of thousands of LEGO® parts! Build engineer-designed projects such as Trains, Helicopters, Treehouses, and Beam Bridges. Then use special pieces to create your own unique design! New and returning students can explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor. Sessions 1 and 2 are not prerequisites for Session 3.

**Learn more at [www.play-well.org](http://www.play-well.org)**
