Emerald Lake Country Club Family Summer Membership

Generously Donated By: Emerald Lake Country Club

What is the best known secret on the Peninsula? Emerald Lake in Redwood City. Little has changed since the 1920's when San Franciscans headed south to Emerald Lake Country Club to escape the fog. They came to swim, read a book in the sun, watch their children play and enjoy time with their neighbors. The ingredients for a terrific summer are still here...friendly people, refreshing water on those really HOT days and lots of sun and fun! We are open from Memorial Day weekend and then everyday after the kids get out of school, until Labor Day weekend. Please note there will be COVID health protocols in place.

Value: \$750 (but priceless due to the LONG waitlist!)
